June 10, 2020

Opening

The regular meeting of the Tesla Owners Club of Indiana was called to order at 8:00 PM on June 10, 2020 over a Zoom online meeting.

Present

- Andrew McCaskey
- Mitch Rolsky
- Luke Andrews
- Don Gillie
- Jody Hendryx
- Luke Andrews-Carrico
- August Mathisrud

New Business

- We have a new gold sponsor, Protect All Insurance. Andy needs to coordinate with them to get a video. The other detailer has not gotten back to Mitch about sponsorship.
- Suggested to add sponsor tab to website to display sponsors.
- Suggested to provide a “2019-2020 Founders Sponsorship” award to first gold level (Clear Bra) sponsor. Should be ~\$58 without engraving, ~\$75 with engraving.
- Finance
 - Balance as of today \$4,735.34
 - Jodi uploaded profit and loss to Slack.
 - 56 owner members
 - 3 associate members
 - 3 gold level sponsors
 - 1 silver level sponsor
 - 4 members have cancelled
- Unlikely to get enough members for non-profit status in 2020, would charging less per month help get more members?
- Events
 - First Friday: need to have permanent link
 - Co-pilot: several people were there, but no new people
 - Suggest canceling First Friday and Co-pilot for July
 - Drive-in move, July 18th, Indy and Bloomington, pay for tickets for members as a way to encourage membership.
- Several ideas for sections suggested, members get the newsletter automatically and non-members would need to provide contact information to get the newsletter.

Adjournment

Meeting was adjourned at 9:27 PM. The next general meeting will be at 8:00 PM on Wednesday, July 15th.
